

Fall Semester 2020 Final Exam Schedule

If you have more than TWO final exams in one day, please contact your instructors to coordinate an exam change. If you have two finals scheduled at the same time, please contact your instructors to arrange an exam change.

Review the grid below and locate the first day/time your class meets. If your class' first meeting day/time is Monday at 9 am, then your final is scheduled at the time of all courses whose first meeting is Monday between 9 and 9:59 am. If your class has a lecture and a lab, the final will generally be scheduled at the time of the lecture portion of the class. Review your syllabus and consult with your instructor if you have questions.
