

Date of email: 6/1/2024 – **PSEO D2L Advising Starts Today!**

Dear {{Student's Name}},

PSEO advising starts today! You can now access PSEO advising materials in D2L, spanning through modules 5-9. Here's a direct link to [D2L orientation & advising](#).

Your advising requirement is due by July 21st. D2L advising is one of the three advising options available to you this summer, we also offer two other convenient options:

- **Zoom Group Advising Session** - learn how to design your PSEO schedule around your current needs and future plans. Links to these sessions can be found in [this handout](#).
- **1:1 Advising Appointment** - [schedule your appointment here](#)

You only need to complete one advising option, however, you are welcome to complete all three.

Remember, class registration kicks off the last week of July. To ensure you're fully prepared, we highly recommend signing up for the [PSEO Registration Preparation Event](#), where you'll receive invaluable insights to aid your registration process.

Sincerely,

Rachel Hoehn

Assistant Director of the PSEO Office | she/her/hers
