

Date of email: 6/6/2024 – **PSEO Group Advising Starts Next Week!**

PSEO students,

Group advising starts next week! Group advising is a great way to learn how to build your schedule, plan effectively for the future, and understand guidelines for registration.

**Please note that group advising is a presentation-style form of advising that does not require student participation – simply login to zoom and listen to the information. There will be time for Q&A at the end, so feel free to stick around for that portion if you have questions!

Register for the session that best describes you!

First session is offered on: June 11th

Last session is offered on: July 18th

Your PSEO advising requirement is due by **July 21st**. If you choose not to participate in group advising, please either complete modules 5-9 in your [D2L orientation](#) or [schedule a 1:1 appointment](#) with a PSEO advisor.

Thanks!
